The Amildar of Sirsi
drooz having reported that
the appointment of a sweeper
to the Gundagudda
Chattrum is very essential
the Deputy Commissioner of the
Shimoga District instructed
to the Commissioner of Kagar
a proposition statement showing
the present and proposed
establishment of the most
finally noted Chattrums in
his District. Mr Fleming

services of the "Gundakatha"
and "Navadia Samaspané"
in all the Chattrums —

Mr Cunningham further stated that by the above arrangement savings to the extent of 8 annas would be effected which might be credited to the feeding allowance of the respective Chattrums.

2. As the proposition statement submitted by the Dy Comm^r shewed that all the Chattrums had a "Karkate" attached to them for cleaning the utensils of the Chattrums and sweeping the building the Comm^r called upon the Dy Comm^r to ascertain from the Municipal officer

the manner in which these servants had been doing their duties; whether any complaint had been received as to the insufficiency of their pay and if any inconvenience had been experienced in procuring men for these posts on their present salary. The Dy Commr was further desired to obtain the opinion of the Surgeon Officer as to the feasibility or otherwise of abolishing the offices of "Navadia" and "Kundattathay"

3. The Surgeon Officer of the Shemoga District to whom the above order was Communicated by the Dy Commr reported that, of 12 Chattrums in the District, 4 had no "Karthates" nor sweepers, their duties being by females. who

were paid from the feeding allowances for cleaning the utensils, 5 possessed Karkhanah offices while the remaining 3 institutions had Regular sweepers on Rs 2 6 4 per mensem attached to them. There were 2 Karkhanah offices vacant and in the remaining 3 Chattrums the duties of cleaning the utensils and sweeping the building were undertaken by 3 females receiving rice from the Chattrums. Mr Sooba Row stated that no Complaint had been made by them for the insufficiency of their pay but that when vacancies occurred would occur in this class of servants, much inconvenience was would be experienced in procuring men to accept the posts on the present small salaries.

The Dungrai Officer was also of opinion that the offices of "Gundakkaltie" and "Neyvathey" Existing - only in 6 out of 12 institutions were unnecessary and might gradually, as vacancies occurred, be abolished in order to provide for Sweepers whose services were absolutely necessary

4. The Manner submitted Copy of the above letter to the Commr observing that he would differ from the opinion of the Dungrai Asst that the appointment of Sweepers should be postponed until vacancies should occur in the appointment of "Gundakkaltie" and "Kuvadia Samarpané" as it was evident that the services of these Classes of Officers were not so indispensible

as those of sweepers and Major Blair therefore suggested that the proposition submitted by Mr. Cunningham might be sanctioned.

5. The Commissioner of Nagar called upon the Deputy Commrs of the Kadur and Chittledroog Districts to report as to whether there was any necessity for perusing the Chuttrums Establishment in their respective Districts

No 373 dy 1-11-76.

6. The Deputy Commr of the Kadur District replied that there was no occasion for any alterations inasmuch as separate sweepers are borne on the permanent Establishment of the Chuttrums in his District.

do 1 of 19-2-77.

7. The Surgeon Officer of the Chittledroog District to whom the Commr's order was Communicated by the Dy Commr, in submitting a statement shewing the present Establishment in the several Cantonments in the District reported to the Dy Commr that the sweepers were doing their work properly and that they could be had without difficulty in ordinary season; that in five out of the eight Cantonments in the District there was an office of Nivadia & in the remaining three Cantonments there were both Nivadia and Gandakatlay offices which were unnecessary. But as the present incumbents appeared to have long been dependant on their present office

for their maintenance, the Municipal Officers suggested that Officers in question might be discontinued as vacancies occurred. He also stated that should the pay of the person employed for supplying fuel to the Municipal Electricum with the cost of feeding the bullock be discontinued and should the pay of the offices of Nawadia & Grindakshittay be added to it, each sweeper might be allowed Rs 3 per month and that there would also be a saving of Rs 1-11-0 per month.

8. The Dy Commissioner of the Shillong Division observed that the pay of the sweeper attached to each Electric light viz 11, 12 annas a month was exceedingly small

at a season like the present, although the present incumbents would not generally complain of it. And suggested that the offices considered unnecessary by the Inspg officer might be abolished at once, raising at the same time the pay of each sweeper to Rs 3 - whereby a saving of one Rupee would be effected to Govt and not Rs 1-11- as mentioned by the Inspg officer.

No 1340/221 dy 29-3-78.

9 The Commr of Rajpur in submitting copies of the foregoing correspondence states that he concurs with Mr Cunningham as to the necessity of entertaining a sweeper for each Chuttram at the rate of Rs 3 a month and that the offices of Nivadin Samarpané,

Gundakkattalai and Karkatè
allowed to exist as suggested
by the Inspection officers of the
Shemoga and Chittledroog Districts
be abolished as vacancies
occur and the savings
thus effected be made
available to meet the
pay of the sweepers.

10. I think the offices
Nyvedia Samarpane
and "Gandatchattè
may be abolished
as was done in
Shikarpur, Ananthpur
and Angumbi Chattrams.
The office of Karkate
may likewise be
abolished and
the savings thus
effected utilized in
employing sweepers
and improving
the sanitary condition
of the Chattrams. The
proposed reductions
might take effect at
once in all the Chattrams
in the Shimoga Dt. as re
commended by me

The proposal must
appear, and
action taken accordingly

Memo No. 29 continued.

11. The foregoing order was communicated to the Commr. of Sagar Division in this Office No. 308-309/38 dated 26th April 1878.

12. The Dy Comr of Chitaldroog writes in his Roobkari No. 391 dated 10th Jany 1879 addressed to this Office states that as per Davanagere Amildar's report it would appear that the annual cost of establishment of the Chattrum at Bharmasagara is Rs 166-8-0; that for a long time the person doing Hyperdia Santarpane service has been drawing also the pay attached to the Office of Gundatichatte; that sweeping accumulating in large quantities in the Chattrum owing to the travellers who stay in it for some time, it is desirable that a sweeper on Rs 3 pay be appointed ~~instead of Gundatichatte~~; that the Office of Kankaty be dispensed with, and a sweeper be appointed instead; that if the offices of Hyperdia Samarpane and chatte be abolished,

with the saving effected by the abolition of these offices as well as of the office of Kankaty, a successor can be appointed.

As the Chief Commrs Proceedings quoted above directs that arrangements should be carried out as vacancies occur, the Dy Comrs solicit by express and clear orders with regard to the proposal of the Huzildar of Daranagere.

Sir,

In returning the petition of Iyadana Kristachari of Shiruga received with your docket No. 81 of 26th April last, I have the honor to state as follows:-

2. The old authorized scale of establishment for the Shiruga Chatram was as noted in the margin and one Iyadapate Kristachari was formerly holding the appointment no 2 and also getting an extra ration of 1 seer of rice a day for preparing "Ejelidonne". It is alleged that a Summad was issued for issuing this extra ration but it has not been produced. The Kristachari was dismissed and the petitioner who was noted in his place in 1880 when

Chatham and found that it was kept in a dirty state because the pay allowed to the sweeper was too small to secure the services of a competent and willing person for that post. The post of Collar No. 6 was then vacant, and the Auditor recommended that as the Office of Gandhakshale was to be abolished under the Chief Commissioner's Proceedings No. 308-9 dated 26th April 1878 the petitioner might be appointed Collar, that the salary of Gandhakshale should be added to that of the Sweeper making it to amount to Rs 14-4-0 and 2 seers of ration, till further vacancies enable the pay being raised to Rs 13 as ordered in the above Proceedings and that the extra ration of one seer of rice to the petitioner for "Yelesonne" be discontinued as no written authority was produced for allowing it. Mr Narasimmiengar sanctioned the above proposal.

3. It will thus be seen that no new sweeper was appointed that the abolition of the office of Gandhakshale was in accordance with the order of the then Chief Commissioner and that the petitioner was by the above arrangement lost only the extra ration of 1 seer of rice for "Yelesonne" for which so far as the record goes there is no authority.

it appears from the record that that office did not form part of Fixed Establishment of the Temple, but was maintained from the Funds set apart for the Car-Festival; that it was held by the Petitioner's Uncle Jayatirthachari prior to 1846 and that the Upadhi was paid 3 pagodas (equal to Rs 11-5-6) annually.

3 From 1847 to 1874 nobody performed the duties of Upadhi, and no payment was made on that account In 1874 the Petitioner Gadavakrishnachari claimed the office of Upadhi, and as the Temple Establishment had to be revised owing to the receipts not being sufficient to cover its cost Gadavakrishnachari's application for the office of Upadhi was refused (vide Kanarese Correspondence between this office and the Munzroi officer herewith Cabinet for kind perusal and obliging return.)

4. The Petitioner Gadavakrishnachari again, sent a petition to this office in May 1889 claiming the Upadhi, as he was informed that under the circumstances stated above it could not be revived.

No. 231
R 160
Inc: 1 Cor: petition with 7 Enclosures.

Shimoga
30. 5. 83

To

The Secretary

Sir

In returning the petition of Gadavathirthachar of Shimoga received with your docket No. 81 dated 26th April last, I have the honor to state as follows:-

Pay per month
Rs. a. p.
Mutsaddy — 2-6-0
Srivaishnavi alias Gurukkal or Devarpuga — 1-3-0
Waterman — 3-10-0
Cook — 3-10-0
Sweeper — 0-11-0
Dollar — 1-3-0

In addition to pay one seer of rice every day for the number of days in which feeding to travellers should go on with the monthly grant.

The old authorized scale of establishment for the Shimoga Chattram was as noted in the margin, and that one Gadupathi Krishnachar was formerly holding the appointment No 2 and also getting an extra ration of one seer of rice a day for preparing "Gurredonne". It is alleged that a Sunnad was received for issuing this extra ration but it has not been produced. The said Krishnachar was dismissed in 1875 and the petitioner who is his cousin was appointed in his stead and received 2 seers of rice and Rs 1-3-0 until april 188. when Mr Narasinga Iyengar the former Deputy Commissioner inspected the Chattram and found that it was kept in a dirty

because the pay allowed to the

was too small to secure the

Services

Services of a Competent and willing person for that post the post of gollar No 6 was then vacant, and the Amildar recommended that as the office of gundhakshati was to be abolished under the Chief Commissioners Proceedings No 308-9/38 of 26th April 1878, the petitioner might be appointed gollar that the salary of gundhakshati be added to that of the Sweeper making it to amount to Rs 1-14-0 and two Seers of ration till further vacancies enabled the pay being raised to Rs 3/- as ordered in the above Proceedings, and that the extra ration of one seer of rice to the petitioner for "Yelledonne" be discontinued as no written authority was produced for allowing it. Mr Narasim Iyngar sanctioned the above proposal. -

3 It will thus be seen that no new Sweeper was appointed that the abolition of the office of gundhakshati was in accordance with the order of the then Chief Commissioner as the petitioner has by the above arrangement lost the extra ration of one seer of rice for "Yelledonne" for which so far as the record goes there is no authority.
